

We are passionate about making our flooring products and aim to create truly inspirational environments for people to enjoy

**burmatex**® is a leading UK manufacturer of contract carpets and carpet tiles. We are passionate about creating truly inspirational environments, reflected in our products unique nature across both design and manufacture.

Our products are suitable for use in heavy contract markets and used in a wide variety of private and public sector buildings, including schools, offices, universities and leisure centres.

**burmatex**® offers an expansive product range; our traditional fibre bonded sheet and tile ranges include entrance products and ground-breaking structure bonded ranges, which present an expansive colour palette. Our multilevel loop, low level loop, textured loop and cut pile tufted carpet tile ranges, including a specialist entrance barrier product, are inspired by the latest and predicted future design and colour trends.

The **burmatex**® design team are a

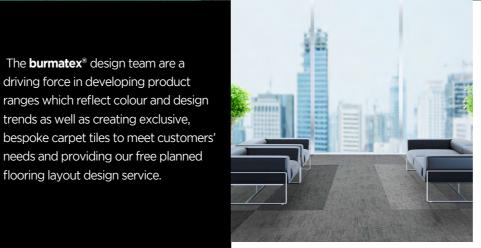

driving force in developing product

trends as well as creating exclusive,

flooring layout design service.

ranges which reflect colour and design

needs and providing our free planned

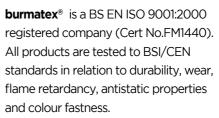

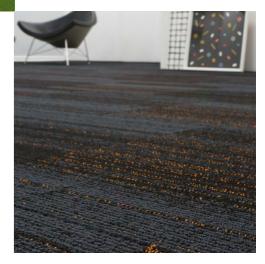

**burmatex**® is committed to best environmental practice in our manufacturing, from the sourcing of raw materials - including recycled content - minimising and reprocessing waste, use of green electricity and recycled packaging. Because of this, the Building Research Establishment (BRE) has awarded our products the highest BREEAM ratings; mostly A+.

We hope that by reading our catalogue and visiting our website at

www.burmatex.co.uk, we will inspire you to work with us to create really unique, captivating floor designs.

### alaska

alaska is our first multilevel loop product and its name was also our inspiration.

A concise palette of twelve colours in this 800g product, combined with the tactile and textural finish, all relate to the invigorating outdoors of this beautiful state. This enables the creation of natureinspired flooring schemes, while not excluding the possibility of a more classic effect.

Used alone, or in combination with other burmatex ranges such as **grade**, **axis** and **hadron**, **alaska** brings an additional layer of flexibility and creativity to our constantly evolving product portfolio.

Product Description: Textured Loop Pile

Colour Fastness To Light: Minimum grade 6 Flammability: Euroclass Bfl-s1

### hadron

**hadron** is highly inspired by striking imagery of the hadron collider. Hyper-real bright bursts of colour, surround by dark space. Each colour-way from the collection has the same neutral, dark grey base, making it easy to delineate areas without harsh lines and creating seamless transitions across a floor. A variety of highlight colours are used, from intense pops of colour to mid tones, neutrals and semi-darks.

The inclusion of texture on this carpet tile, in a subtle weft style pattern, enhances the dispersed nature of the colours.

### strands

**strands** is a vibrant and exciting 100% Nylon textured loop carpet tile range offering almost limitless opportunities for floor design.

Each tile starts with a background colour of mid grey with a black pinstripe and is then accented by one of eight striking key note colour stripes in three versions: - Strands 5; Strands 10 and Strands 60; so named because the key note colour stripe takes up 5%, 10% and 60% of the carpet tile respectively.

Strands offers the designer combinations of pattern and colour to create and develop unique floor designs starting from tessellated or brick in 5, 10 or 60 up to amazing effects such as random monolithic, brick repeat, chequerboard using combinations of 5,10 and 60. Schemes can be further enhanced using combinations of other burmatex ranges.

### axis

22105 blueprint

**axis** is inspired by our surroundings; nature, art, food, and culture. Strong and bold, or rich and calm, the palette of eleven colours provides the axis for many different flooring schemes. Create a vibrant punch of colour, a calm oasis, or use in combination with other burmatex ranges such as **hadron**, **grade** or **strands**.

The relationship with **strands** is unique, in that all the colours in the strands palette now have a corresponding axis colour.

Each of the colours has been designed to be installed single direction – no need to quarter turn – with an inherent dark fleck to provide extra appearance retention without compromising the impact of the product.

### surface

**surface** is a 100% nylon textured loop pile carpet tile created to coordinate beautifully with any commercial interior scheme. Combinations of solution and space dyed nylon create eight versatile colourways, from earthy tones through to cool neutrals. Architectural exteriors, facades and mathematical and manufactured surfaces inspire the visually textured appearance, creating a feeling of dimension and depth in a practical textured loop construction. This hard wearing, versatile and great value product is suitable for use in any commercial interior project.

### go to

**go to** offers two designs – plain and stripe in a popular colour palette of fifteen. Brighter and darker greys and blues are supported with red and green brights within the collection. Each colour except jet black has its own counterpart in the stripe design. You can mix and match the plain and stripe options to create more interesting floor layouts or define zones.

The range maintains the level of high performance and resilience that **burmatex**® carpet tiles are known for. **go to** is the perfect choice for users that are looking for a quick and easy carpet installation option.

# **grade** tile & plank

The name **grade** links to the graduation between lighter tones and darker ones within each colour option. A researched and considered palette of nine colours gives great flexibility and longevity, whether using a single selection or creating your own combinations. Colours can subtly diffuse from one to another, or create drama by using blocks of contrasted areas

### rialto

rialto is an extremely durable heavy contract velour pile carpet tile. It is constructed from 100% polypropylene yarn and is ideally suited for public buildings, such as schools, and other commercial interiors. It is available in 12 colourways.

Product Description: Fibre Bonded

Pile Yarn Description: 85% Polypropylene 15% Nylon

Roll Length: 30m Roll Width: 2m

Total Thickness: 65 mm +/-10%

Total Weight: 1150 g/m²+/-10%

Castor Chair Rating: BS EN 985 Pass

Body Voltage Test: BS ISO 63562000 <2kV

Colour Fastness To Light: Minimum grade 6

Flammability: Eurodass Efl-s1

#### Specification

Product Description: Fibre Bonded

Pile Yarn Description: 85% Polypropylene 15% Nylon

Tile Dimensions: 50 cm × 50 cm Total Thickness: 10 mm +/-10% Pile Weight: 1200 g/m²

Castor Chair Rating: BS EN 985 Pass Body Voltage Test: BS ISO 6356:2000 <2kV Colour Fastness To Light: Minimum grade 6

Flammability: Euroclass Bfl-s1

### 5500 luxury

**5500** is an extremely durable fibre bonded carpet sheet, ideally suited for public buildings, such as schools, and other commercial interiors. Made from a high performance mix of solution dyed fibres, it is available in a choice of 18 attractive colourways.

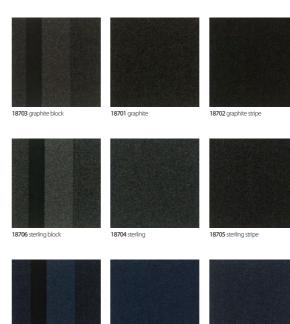

6055 dorian azure

6082 mayan sky

### velour excel

**velour excel** is an extremely durable fibre bonded carpet tile, ideally suited for public buildings, such as schools, and other commercial interiors. Made from a high performance mix of solution dyed fibres, it is available in a choice of 18 attractive colourways.

18709 cobalt block

Product Description: Performance Barrier System

Pile Yarn Description: 100% Solution Dyed Nylon (Polyamide-PA)

18707 cobalt

18708 cobalt stripe

Tile Dimensions: 50 cm × 50 cm

Total Thickness: 10.0 mm +/-10%

Pile Weight: 920 g/m²

Tufts per m2: 110.236 g/m²

Castor Chair Rating: BS EN 985 Pass

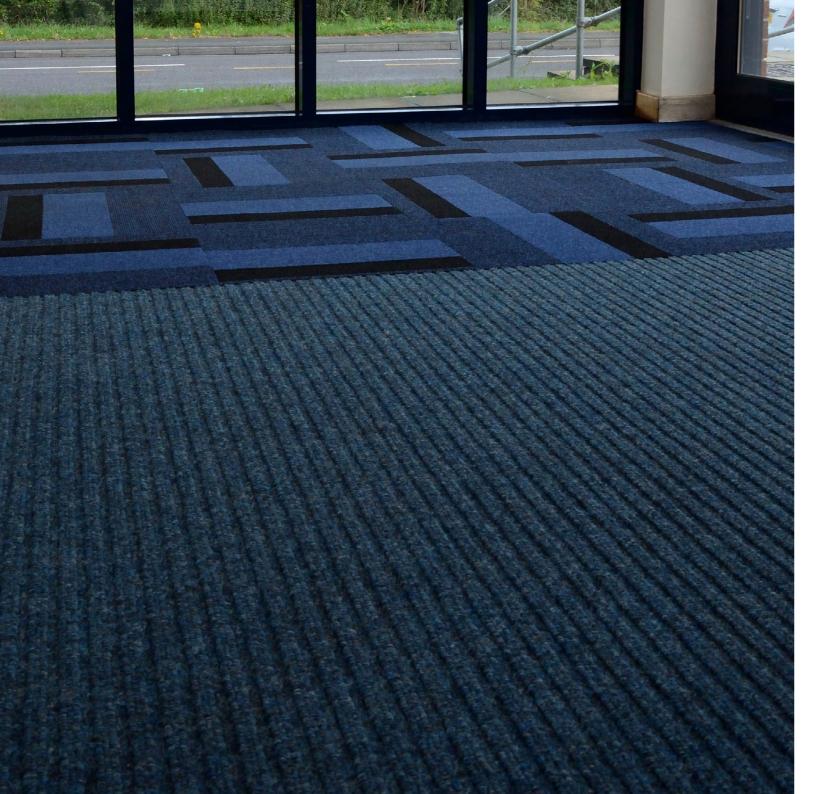

Body Voltage Test: BS ISO 6356:2000 < 2kV Colour Fastness To Light: Minimum grade 6

Flammability: Euroclass Bfl-s1

### armour

**armour** offers the ultimate in entrance performance with its combination of absorber and scraper yarns, which protect internal floor finishes by trapping up to 90% of dirt and moisture, tracked in by foot and wheel traffic. The combination of plain, stripe and block stripes in the key blending colours of dark grey, warm grey and blue, will coordinate beautifully with any flooring design scheme. Armour is ideal for primary and secondary entrance areas, as well as lobby, lift areas and staircases.

Product Description: Fibre Bonded Pile Yarn Description: 100% Polypropylene

Roll Length: 30m Roll Width: 2m

Total Thickness: 10.0 mm +/-10% Total Weight: 1490 g/m<sup>2</sup>+/-10%  $\textbf{Colour Fastness To Light:} \ Minimum \ grade \ 6$ 

Flammability: Euroclass Efl-s1

### 7700 grimebuster

7700 grimebuster is a heavy contract ribbed fibre bonded carpet. It is ideal for withstanding heavy footfall environments and creating an effective dirt barrier for busy entrances, which lead directly from outside environments.

1628 haydock blue

1639 goodwood brown

1646 wincanton fawn

Specification

1640 newmarket grey

Product Description: Fibre Bonded Pile Yarn Description: 100% Polypropylene Tile Dimensions: 50 cm × 50 cm Total Thickness: 12.0 mm +/-10% Pile Weight: 1170 g/m<sup>2</sup>

Total Weight: 4300 g/m<sup>2</sup>

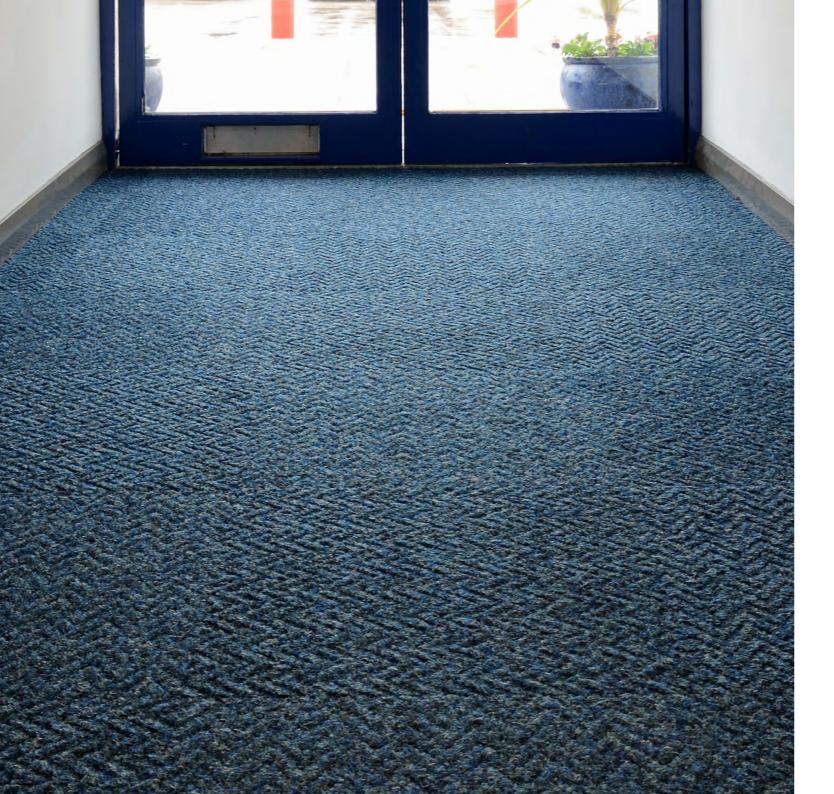

Colour Fastness To Light: Minimum grade 6

Flammability: Euroclass Bfl-s1

### grimebuster 50

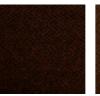

grimebuster 50 is a heavy contract fibre bonded carpet tile with a deep diagonal rib surface.

It is ideal for withstanding heavy footfall environments and creating an effective dirt barrier for busy entrances, which lead directly from outside environments.

783

awn

Specification

Product Description: Fibre Bonded
Pile Yarn Description: 100% Polypropylene

Roll Width: 2m

Total Thickness: 10.0 mm +/-10%
Total Weight: 1490 g/m² +/-10%
Colour Fastness To Light: Minimum grade 6

Flammability: Euroclass Efl-s1

### 7800 chevrolay

**7700 chevrolay** is a heavy contract chevron ribbed fibre bonded carpet. It is ideal for withstanding heavy footfall environments and creating an effective dirt barrier for busy entrances, which lead directly from outside environments.

Specification

Product Description: Fibre Bonded
Pile Yarn Description: 100% Polypropylene
Tile Dimensions: 50 cm × 50 cm
Total Thickness: 12.0 mm +/-10%
Pile Weight: 1490 g/m²

Total Weight: 4300 g/m<sup>2</sup>
Colour Fastness To Light: Minimum grade 6

Flammability: Euroclass Bfl-s1
